Dear Sir:

Your letter addressed to the Metropolitan
Museum of Art has been referred to us for reply.

We are unacquainted with the bronze plaque
representing Washington defending the four books; nor
do we recall ever having seen any print of such a sub-
ject. We are, however, writing to one or two collec-
tors of Washingtoniana in this country to see if they
can help us out; and should I learn more about the
matter, shall be glad to pass on such information to
you.

Very truly yours,

Curator

THE BRITISH NUMISMATIC SOCIETY.

PLEASE REPLY TO THE

Dear Mr. Wood

The "Washington" medal

I have delayed sending you my grateful thanks for
both your letter and your kind enquiries as to the above medal I
could have printed and enclose a proper illustration of it -

When I wrote to you I had sent the medal and it had been
mistaken so my sketch was only from memory; therefore it was
not fair to you to expect an opinion upon it unless it happened
to be already known as a medal to you. See page 3 of enclosed Report.

You will now see that the uniform is American - not
French, for the latter was very distinctive

I could now, of course, lend you the block if your
Society wished to use it - Again thanking you I am

Yours sincerely

W. J. Andrew

My kind regards to Mr. Newell and Mr. Noel.
